WE WELCOME YOU

The Motorhome Club is the newest club and was formed in 2007

We are an exciting and forward thinking club with ventures and ideas planned for the future. We are searching all of the time for new places to visit both at home in the United Kingdom and abroad. We organise holiday rallies in interesting places and are able to offer reduced ferry fares as part of the package.

Our rallies take place approximately every 2 weeks, throughout the year and include special holiday rallies. We rally on rally fields, campsites and recreation grounds.

Our site fees are inexpensive and we have excellent facilities for your comfort.

Electrics and transport will be available at most rallies.

Our membership is growing daily and our enthusiastic members contribute to the club by sharing knowledge and information with fellow members.
